

§ 652.26

NRCS determines meets the certification criteria as set forth for the technical services to be provided.

(b) Recommending organizations will, pursuant to an agreement entered into with NRCS:

(1) Train, test, and evaluate candidates for competency in the area of technical service delivery;

(2) Recommend to the NRCS official individuals who it determines meet the NRCS certification requirements of § 652.21(a) for providing specific categories of technical services;

(3) Inform the recommended individuals that they must meet the requirements of this part, including entering into a Certification Agreement with NRCS, in order to provide technical services under this part;

(4) Reassess individuals that request renewal of their certification pursuant to § 652.26 through the recommendation of the organization; and

(5) Notify NRCS of any concerns or problems that may affect the organization's recommendation concerning the individual's certification, recertification, certification renewal, or technical service delivery.

(c) Pursuant to an agreement with NRCS, a recommending organization may provide to the appropriate NRCS official a current list of individuals identified by the recommending organization as meeting NRCS criteria as set forth in § 652.21(a) for specific categories of technical service and recommend that the NRCS official certify these individuals as technical service providers in accordance with this part.

(d) NRCS will make a determination within 60 days. If NRCS determines that all requirements for certification are met by the recommended individual(s), NRCS will perform the actions described in paragraphs (c)(1) through (c)(3) of § 652.22.

(e) NRCS may terminate an agreement with a recommending organization if concerns or problems with its accreditation program, its recommendations for certification, or other requirements under the agreement arise.

§ 652.26 Certification renewal.

(a) NRCS certifications are in effect for three years and automatically ex-

pire unless they are renewed for an additional three years in accordance with this section.

(b) A technical service provider may request renewal of an NRCS certification by:

(1) Submitting a complete certification renewal application to NRCS or through a private sector entity, a public agency, or a recommending organization to NRCS at least 60 days prior to expiration of the current certification;

(2) Providing verification on the renewal form that the requirements of this part are met; and

(3) Agreeing to abide by the terms and conditions of a Certification Agreement.

(c) All certification renewals are in effect for three years and may be renewed for subsequent three-year periods in accordance with this section.

Subpart C—Decertification

§ 652.31 Policy.

In order to protect the public interest, it is the policy of NRCS to maintain certification of those technical service providers who act responsibly in the provision of technical service, including meeting NRCS standards and specifications when providing technical service to program participants. This section, which provides for the decertification of technical service providers, is an appropriate means to implement this policy.

§ 652.32 Causes for decertification.

A State Conservationist, in whose State a technical service provider is certified to provide technical service, may decertify the technical service provider, in accordance with these provisions, for the following reasons:

(a) Failure to meet NRCS standards and specifications in the provision of technical services rendering to the extent that the practice is ineffective or environmentally harmful;

(b) Violation of the terms of the Certification Agreement, including but not limited to, a demonstrated lack of understanding of, or an unwillingness or inability to implement, NRCS standards and specifications for a particular practice for which the technical service provider is certified, or the provision of
